Backend Configuration (Admin side)

Single Profile Settings

**Allow Subscribers To Update Next
Subscription Date**
[store view]

No if any of product setting is set to N

This selection will override product edit page setting

- **Allow Subscribers To Update Next Subscription Date:**
 - **Yes:** Set Yes, if you want to allow subscriber to modify next subscription date at subscription profile level. This will override product edit page setting.
 - **No:** Set No, if you don't want to allow subscribers to modify next subscription date.
 - **No if any of product setting is set to No:** Do not allow subscribers to modify next subscription date if any of subscription product setting is set to No. This will override product edit page setting.
