Shipping Restrictions - Magento 2

Installation

> ⓘ To use this extension, you will require to install MageDelight Base Extension first. If it is not installed then please download it from https://www.magedelight.com/extensions/magedelight-base-extension.zip and unzip the package file into the root folder of your Magento 2 installation.

> ⚠ Before installing the extension, please make sure to **Backup your web directory and store database**

- Unzip the extension package file into the root folder of your Magento 2 installation.
- Connect to SSH console of your server:
    - Navigate to the root folder of your Magento 2 setup
    - Run command as per below sequence,

```
php -f bin/magento setup:upgrade
```

```
php -f bin/magento module:enable Magedelight_Megamenu
```

```
php -f bin/magento setup:static-content:deploy
```

- Flush store cache
- log out from the backend and log in again

Backend Configuration (Admin side)

View and manage list of shipping rules in a grid. From here you can add/edit and delete the rule.

Shipping Restriction Rules

Add New Rule: This will redirect to create rule page where admin can create new rule.

Click on Select dropdown link from Action Column, it will allow to edit or delete the rule.

⚠️ With this module it is possible to create unlimited shipping restriction rules.

Create new rule
