Installation

Before installing the extension, please make sure to **Backup your web directory and store database**

- Unzip the extension package file into the root folder of your Magento 2 installation.
- Connect to SSH console of your server:
 - Navigate to the root folder of your Magento 2 setup
 - Run command as per below sequence,

```
php -f bin/magento setup:upgrade
```

```
php -f bin/magento module:enable Magedelight_Giftwrapper
```

```
php -f bin/magento setup:static-content:deploy
```

- Flush store cache
- log out from the backend and log in again

Select category and gift wrapper, then add product to the cart. The selected gift wrapper will be displayed as product option under cart item listing.

Customers can write personal message along with recipient name and sender name which would get displayed on wrapper.

Price of gift wrapper will be shown as separate row (Gift wrapper) under cart summary totals block. Also gift wrapper option will be updated in mini-cart section available at top links.

Gift Wrapper in Mini Cart

Gift Wrapper on Cart Page

Customer can select different gift wrapper option for each item in cart. As the gift wrapper option are managed separately each item will listed individually with different gift wrapper.
